### Principal's Message

Published by Burpengary Meadows State School

Dear Parents and Carers

This year has begun with energy, passion and gusto as teachers and students establish their teaching and learning routines and relationships. Classrooms are beginning to display visible learning and students are very proud to visit the office with the great work that demonstrates their talents and learning. Each week, classes are scheduled to display student work in the school foyer. This visible presentation broadcasts excellent student data demonstrating individual creativity through the Australian curriculum that underpins learning. This week, 1 Purple's visually appealing individual characters portrayed through 'pigeons' integrate visual art with a persuasive writing task.

Mr King and I love seeing every excited child's response to this celebration of their learning progress.

The academic nurturing and well-being of students underpins our every activity, guides our vision and mission and provides inspiration for developing and improving the way we do things to ensure that students are provided with what they need to achieve their best.

#### Learning Time

At 8:30am every morning literacy session begins in earnest. Family routines that observe this important aspect of the day, enable every child access to the best possible literacy learning opportunities. Good readers, spellers and writers are ready and on time for the first session of every school day.

Every afternoon, learning finishes at 2:40pm. Parents who wait in the under covered area are not only observing protocol, but are also affording all children access to every learning opportunity. Thank you for making sure that students are not disrupted or distracted by outside chatter.

#### 2017 Parent Information Session Wednesday February 8

Classroom session 1 – 3:00pm to 3:30pm

Classroom session 2 - 3:30pm – 4:00pm

Admin session in hall – 4:00pm to 4:30pm

To ensure student safety, playgrounds are not authorised for after school use.

Helping Hands is available to supervise students free of charge 3.00pm – 4.30pm during the Information Session. Parents requesting this service, are asked to register and collect a ticket at the school office prior to Feb 6. Students without a ticket will not be included in this service.

Parents with tickets will sign students in to this service at 3.00pm, and signed out by parents at 4.30pm.

**School Captains Investiture**

The 2017 School Captains Investiture Ceremony will be held during School Parade on *Wednesday February 8*, with proud parents and family joining the School Captains for a formal celebration afterwards.

At Parade on Wednesday February 22, we formally present our Cultural and Sports Captains to the school community. This will complete the school's democratic election cycle for 2017.

**Curriculum and Enrichment**

It has been a very busy beginning to the school year for all members of our school community. From Prep students who have settled beautifully to their first formal year of schooling, to Year 6's who begin their final year of Primary schooling, students in all classes have begun the serious business of learning.

Student support begins in earnest with a thorough program for targeted intervention with individual learning goals derived from narrow cast data.

Differentiated curriculum is also designed to extend students through defining goals based on narrow cast data. (Narrow cast refers to the data captured to inform teaching, Broadcast refers to the data circulated widely that celebrates student success)

**2017 Improvement Agenda**

This year our strong focus is on writing and numeracy. We will continue to focus on reading and spelling and build our programs on the feedback and success of previous years in all areas.

**One Laptop Per Child**

This year every student in years 1-4 will have access to their own XO in class to support literacy and maths. XOs also form part of our differentiation practices and robotics. This project also affords interested year 5 & 6 students with access to training package style courses from which they can achieve an XO Mechanic qualification. These zealous student mechanics under the expert tutelage of Mr Gardiner contribute Thursday first lunch breaks to maintaining our XO resources whilst receiving their 'on the job' training. Certainly a symbiotic relationship with benefits to the students and school.

**Travel Choice**

This year, although the Moreton Bay Shire Council no longer funds the Travel Choice Program, to continue this legacy and maintain awareness of sustainable travel choices, Ms Keown will lead us through one Travel Choice active day per term. In past years we have seen a great improvement in sustainable travel choices improving by a massive 17%.

Well done everyone for choosing park and walk and other sustainable options.

These dates will be publicised closer to events and in the school calendar.

**Thank you**

Parents and carers, thank you for ensuring that all students are beautifully ready and in positive learning mindsets every morning.

Mr Welsh and Mr Ritson have made remarkable progress with the grounds and setting up classrooms. Thank you.

Thank you cleaning team Betty, Vicki, Kim, Jeff and Kathy for dedication and care in relation to the schools facilities.

Ms Burger and Ms Heron in mornings - always ready to greet requests for help and assistance with expertise and a smile – Thank you.

Thank you Ms Lucas, for refining and organising the office systems and resourcing.

All staff work diligently, gently and patiently with students, supporting social, emotional and academic development - dedicated teachers, teacher aides, GOs, Chaplain and school leaders are highly valued. Creative and targeted holiday preparation for the business of learning has 2017 set for great improvement and success.

I wish you all the very best for a productive year as active members of our wonderful school community. Together, we look forward to a most inspirational, rewarding and excellent year as we watch our talented students aspire and succeed.

Regards

Liz Mackie PSM

Principal

Thank you for your continued patience and care in the carpark. Travel Choice is a great success because our school community are making every effort to put children's safety first.

Parking legally, a distance from school and walking has been working very well - a great Travel Choice idea!

## P&C News

Published by Burpengary Meadows State School

### Burpengary Meadows P&C News

Welcome to the first edition of the Burpengary Meadows State School Parents & Citizens Association Newsletter for 2017. A special welcome to all the new families joining our school community. We trust your first week has been amazing!

The BMSS P&C offers a forum for parent participation in sharing information and views, helping raise funds for additional resources which benefit all our children and building positive attitudes amongst BMSS students and their families.

The BMSS P&C is a volunteer group working to build a strong school community to enrich our children.

We meet on the second Tuesday of each month at 7pm in the school staffroom located in the Administration Building. The Association's Annual General Meeting is held in March of each year.

New members are always most welcome together with their new ideas! The P&C run the school tuckshop and uniform shop and school banking. Fundraising remains one of the core endeavours of the P&C to enable the contribution of funding and support to the school to enhance students learning and development.

**Meadows Munchies (open Tuesday - Friday)** from 31 January 2017

Burpengary Meadows adopts the Smart Choices strategy for food and drink selection for our Tuckshop. The P & C Association operates a Tuckshop for the convenience of school families and to raise additional funds to enhance opportunities and resources for our students. A full Tuckshop menu is offered from Tuesday to Friday each week.

A new online service system **Our Online Canteen** has commenced, you should have received a note home about this. Sign up today at [www.ouronlinecanteen.com.au](http://www.ouronlinecanteen.com.au)

If you are interested in helping out at the tuckshop please call in and see Renee our Tuckshop Convenor, this is a rewarding and interesting way of getting to know more members of the school community.

If you have any outstanding queries from the previous "Flexischools" please contact them directly by phoning 1300 361 769 or emailing [help@flexischools.com.au](mailto:help@flexischools.com.au)

**Please note that Prep Students are not able to order from the Tuckshop in Term 1.**

**BMSS Uniform Shop – Open Every MONDAY** from 8.00am-9.30am

The BMSS Uniform shop is open every Monday morning from 8-9.30 am for all your school uniform needs.

The Uniform shop order form is also available on the school website.

You can now place your orders via **Our Online Canteen** and your order will be delivered to your child's class teacher the following Monday.

**Fundraising**

The P&C welcome new parents and are always open to new ideas for fundraising initiatives. Each year we hold Mothers Day and Fathers Day stalls, BBQ's and raffles to raise much needed funds for the school.

Last year we were able to give over \$18,000 back to the school and provide funds for the following activities and initiatives:

- Under 8's Day •Mateship Day •Chaplaincy resources •Air-conditioning Contribution •True Relationships & Reproductive Health sessions •Student council vouchers •School swimming transport costs •Volunteers afternoon tea, vouchers & gifts •Graduation cake

**School Banking (Every THURSDAY)** from 9 February 2017

BMSS P&C is excited to offer the Commonwealth Bank School Banking program to all students. The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

Children should be receiving their school banking brochures over the next couple of weeks. School banking day remains Thursday. Please hand your banking to your class teacher to be placed in the grey satchel for processing. Current account holders are able to begin depositing immediately.

**The school banking representative from the Commonwealth Bank will be available to open accounts outside the office from 8am-9am on 6 & 7 February.** Please bring your drivers' license for identification to open an account for your child. All new accounts opened earns a \$5 credit for the school. It is also a great time to check out the prizes available for 2017.

To encourage regular savings behavior the program offers an exciting REWARDS program, every deposit earns your child a silver Dollarmites token, and once they've collected 10 tokens they can redeem them for a reward. Find out more at <https://www.commbank.com.au/personal/kids/school-banking/dollarmites.html>

### VACATION CARE PROGRAM:

During Vacation Care the children enjoyed a variety of fun days. This included water play, hand wax moulds, Christmas craft, Excursion to the CREEC (Caboolture Regional Environmental Education Centre) – The new playground was great, Excursion to the movies to see SING and an Excursion fishing at Nudgee Beach. Throughout the 4 weeks period of Vacation Care we enjoyed a large variety of indoor and outdoor activities, due to the warmer weather water play activities were always a great way to stay cool. We welcomed a few new faces to Vacation Care which was great.

IF YOU ARE INTERESTED IN YOUR CHILD JOINING US AT HELPING HANDS FOR BEFORE SCHOOL CARE, AFTER SCHOOL CARE OR OVER THE EASTER HOLIDAYS, PLEASE COME AND VISIT US IN THE HALL. WE LOOK FORWARD TO MEETING YOU AND YOUR FAMILY.

**Redcliffe Leagues Hockey Club**

Have you thought about playing hockey? We have a fabulous program, Hook in2 Hockey, which runs for 4 weeks in March and introduces children from the age of 4 to our great sport. Your sign on will include a FREE Stick, Stick Bag, Ball, Shin Pads, Mouth Guard and Australian Hockey Jersey - everything you need to join in the fun straight away! Apart from this program, we also have Boys and Girls teams starting from U7's. We would love to hear from your family.

Contact: Lynne Somerville 0417 758 107 for more information.
