Principal's Message

Published by Burpengary Meadows State School

Welcome to Term 4,

Welcome back everyone to Term 4. This is always a busy time of year with finishing assessment, reports, concerts and as sorts of end of year events. Thank you to everyone for my warm welcome to Burpengary Meadows. I will be filling in for Mrs Mackie as she takes some leave. At this stage, it anticipated that Mrs Mackie will return towards the middle of the term but I will confirm this when we have more news.

Writing Focus

Our curriculum journey in 2017 has had a focus on writing. This will continue in Term 4. This is an important aspect of the curriculum. To support your children and the efforts of the staff whenever possible ask your child about what they have written today. It is important to make writing meaningful so any opportunity where they can write would be helpful. Writing a letter to grandma or granddad or writing a shopping list, it does not have to always be a story. Then have them explain what they have done. It all helps.

Construction of the New Stage in Our Hall

Construction has begun on our new stage! This is going to be a fabulous resource for the school. There are a number of event planned for the second half of the term which will showcase the new stage and the students of Burpengary Meadows. I have been speaking with the builders this week and they are well on track for it to be completed next week. Soon after that back stage curtains and a few extra items will be completed. This is only stage one. Over time the front curtain will be added then on to lighting and upgrade the sound system.

Colour Run

As part of the 10th Anniversary of Burpengary Meadows we are holding a Colour Run. Previously we have sent out a letter for those who wish to opt out. We are now wanting to know how many people would be attending. This is primarily for catering as a number of stalls will be selling food items at the event. Could you please return this form as soon as possible?

A reminder about the event, students will need parent here at the event to participate. We would prefer a white t-shirt but if parent give permission students can run in their school uniforms (the white shirt will stand out). Students should bring their t-shirts in prior to the day. Glasses will be provided

2018 Class Placement Consideration Form

Published by Burpengary Meadows State School

Class Placement Considerations for 2018 - Please Use Attached Form

Staff will soon commence our processes for allocating students to classes for 2018. This is a complex, carefully considered and education-based process which focuses on the best interests of each child.

Using the attached form, Parents may submit requests for consideration to the Principal. These can be submitted through either the school office or via email to admin@burpengarymeadowsss.eq.edu.au. To assist you further, hard copies of the Class Placement Considerations form are also available at the office. All requests must be received no later than COB, Friday 27 October, 2017.

The focus of requests could suggest the style of teaching, specific friendship groups, peer influences, supports or concerns.

All requests are considered in earnest. The complex nature of the task means that furnishing every request is not always possible. A great deal of work is dedicated to matching individual student learning and teaching styles. In every circumstance, the final decisions about student placements, are at the Principal's discretion.

[Burpengary Meadows P&C Newsletter](#)

The Burpengary Meadows State School P&C is a volunteer group working to build a strong school community to enrich our children. The P&C provides a forum for parent participation in sharing information and views, helping raise funds for additional resources which benefit all our children and building positive attitudes amongst students and their families. We meet on the second Tuesday of each month at 6.30pm in the school staffroom located in the Administration Building. We would love to see new members come along. If you can offer your time in any way, we are always in need of volunteers to assist with fundraising events.

Hey Meadows Families,

Welcome back to Term 4!

I hope you had a refreshing time over the school holidays and ready for the last leg of the 2017 relay.

[Life Preschool Visit](#)

Well, over the school holidays I had the awesome privilege of visiting Life Preschool in the very north of Thailand's border to Myanmar. (Meadows Munchkins Playgroup here have been sharing and offering support to thi centre over the last 18 months)

I was able to take over some resources for the teaching staff and the children and work with them on teaching planned learning through "play". It was very enlightening experience, and we as a school and playgroup, were able to support this little preschool in their endeavor of learning by seeing, experiencing and sharing their lives.

Even though I could not speak Thai or Burmese, and they spoke little or no English... Caring, love and play can be communicated non-verbally.
