

\$11 321 in 2015
Let's Smash It!

14 Feb 2017

Dear Parents, Carers, Extended Families and Friends of BMSS,

Once again BMSS will be supporting the Leukaemia Foundation's World's Greatest Shave during the month of March. This year we are aiming higher than ever before and with your help, we hope to **smash** our 2015 record of \$11 321. Activities on Crazy Hair Day (Wed 22 March) include:

- Every student is invited to make a donation to come to school in free dress with crazy hair for a gold coin donation.
- Students may get their hair coloured before school by our volunteers for an additional \$2 (strictly 7.50am to 8.25am only).
- In the weeks leading up to the 'Big Event', Student Leaders will be selling raffle tickets for a chance to help the hairdresser shave Mr. King's head. This year, he's committed to going shorter than ever before – Gauge One! Tickets will be \$1 each and available outside the school office.
- You can help choose a hilarious wig for Mrs. Mackie to wear at school on Crazy Hair Day. We have a few to pick from – cast your vote for \$1. Vote as many times as you like. See the Student Leaders in front of the school office for your chance to vote.
- A 'Shave-Off' Mega-Disco will be held from 1.15pm (after Second Break Eating) in the BMSS Hall to support our 'Brave Shavers'. Watch our brave volunteers shave and colour their hair for this great cause while we listen and dance to great music. Parents are welcome to attend the Mega-Disco for a gold coin donation (please feel free to donate more to this worthy cause).

Mums, Dads, Kids, Families - Why Not Join the BMSS Team? Be Brave and Shave!

Students require their parents' permission to join the BMSS Team and should complete a permission form available from Ms. Heron (BMSS Team Captain) at the school office. Parents and Family Members are welcome to join our team as well. Simply visit the link below and join our team – then your total adds to the school total. Let's **smash** our record from 2015!

Your donations help the Leukaemia Foundation provide free services to support people with leukaemia, lymphoma, myeloma and other blood disorders, and their families, as well as research to improve blood cancer treatments and find cures.

If you wish to support the school and the Leukaemia Foundation with a more substantial donation please use this link to our personal fundraising page:
